20. [REDACTED] Stopped by to see Ron Tammen, in the office of Senator William Proxmire, and delivered to him Dr. Proctor's letter to Proxmire on the subject of a briefing on the economic situation in North Vietnam, the PRC and North Korea. We talked about scheduling the briefings of the Joint Economic Committee on Soviet defense expenditures (I said this was what Proctor wanted to see Proxmire about) and of Proxmire's Appropriations Subcommittee on the Soyuz program. Tammen will call me with suggested dates.
